DETAILED ACTION

Reissue Applications

1. The amendment filed January 9, 2007 proposes amendments to the claims (adds new claims 25-48 and cancels claims 1-24) that do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required. See also 37 CFR 1.173 (d) (1). All changes relative to the original patent should be underlined all deleted matter enclosed in brackets. New claims 25-48 are not underlined.

A shortened statutory period for reply to this letter is set to expire **ONE (1) MONTH or THIRTY (30) DAYS**, whichever is longer, from the mailing date of this letter.

Applicant is notified that any subsequent amendment to the specification and/or claims must comply with 37 CFR 1.173(b). In addition, when any substantive amendment is filed in the reissue application, which amendment otherwise places the reissue application in condition for allowance, a supplemental oath/declaration will be required. See MPEP § 1414.01.
